Dear Michael,

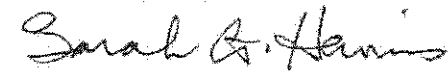

It is with some ambivalence that I am writing you this letter of notification of my retirement from my position as Conservation Agent with the Town of Carver effective 29 April 2014. Although I have come to a point in my life when I feel it is time for me to move on to other pursuits, my job as Conservation Agent meant so much to me, as I believe the position does to the Town, and I will truly miss the work I was able to do during my fifteen years as Agent.

Of the many things I was a part of while Conservation Agent, I am most proud of these three accomplishments: my role in land preservation, particularly the acquisition of the Cole Property, for the Town of Carver; the relationship I helped to build between the agricultural and the conservation communities here in town; and the interdepartmental cooperation I played a part in fostering, helping other town departments avoid fines, execute mandates, and write grant applications to do what was needed to get done, while benefiting hugely from my fellow department heads' expertise as well. We were a good team.

It is my most sincere hope that whoever succeeds me in the future will value these accomplishments going forward—and understand that these are things of vital matter to the Town of Carver—and will take the job of Conservation Agent to heart, as I have.

It has been a pleasure working with you and for you.

Sincerely yours,

Sarah G. Hewins
