LaFond Divided Loyalties Violates Contract & Carver Town Bylaw

Rick LaFond could not resist violating our laws once again before leaving for greener pastures. He is now the official Town Manager of Abington at the same time he has an employment agreement with the Town of Carver. As always fixcarver provides the proof visit Abingtons website by clicking the link below.

Town of Carver Bylaw section 3.3.3.4. **“The Town Administrator shall devote full time to the office and shall not hold any other public office, elected or appointive, nor engage in any business or occupation during such service, unless such action is approved in advance by the Board of Selectmen.”**

The employment agreement between the Town of Carver and Rick LaFond states **“The Town Administrator may voluntarily terminate his employment by providing sixty (60) days written notice to the Board of Selectmen delivered by receipt requested certified mail.”** Fixcarver has learned that the letter of resignation is dated 4/26/13 hardly the required 60 days notice required in the contract. The agreement further states **“It is expected that the Town Administrator shall average a minimum of forty hours per week”** If he’s working for both Abington and Carver it’s difficult to imagine that he’s meeting the working hours required under the agreement.

Fixcarver looks forward to hearing more creative explanations from a Town Administrator adept at violating our bylaws, state law, employment agreements and other rules that are supposed to apply to everyone. Good luck to the residents of Abington.

Fixcarver also looks forward to town officials acting to enforce the laws of our town and its contracts.
